

Rears Nifty Wagon for gravel walks or paved greenhouse floors. Pneumatic tires allow you to easily maneuver among tight plantings. Pallet-jack style draw arm allows steering when pushing or pulling, even when the arm is locked in an upright position.

All **Nifty Series** models share Rears' unitized **stainless steel** tank design: heavy 304 grade stainless steel construction is integral to structural strength and mounted stability.

The tank and all tank fittings, lid, mechanical paddle agitation and suction assembly are constructed of non-porous stainless steel- from wettable powders to oil sprays, tank and plumbing **rinses clean** to handily move from one job to the next.

Choose **pump & power** over

Wagons, above, range from 50 - 100 gallon tank volume; piston pumps and diaphragm pumps with either electric motor or Honda engine.

TANK CONSTRUCTION

304 Stainless steel construction
 Tank volume range from 25 to 100 gallons
 Thru-tank mechanical agitation, standard*
 All stainless steel construction mechanical paddle agitation
 Lubricated agitator shaft bearings with packing seals
 Jet booster and sparge tube agitation options available
 Tank level sight gauge with safety shutoff

STANDARD COMPONENTS

All models delivered with lid strainer, volume sight gauge, suction shut-off valve, pressure gauge, pressure regulator and mechanical agitation*
 Heavy gauge steel frame, pump and engine mount
 Rears draw arm system with upright position spring lock: maneuverable in locked upright position. Built for seasons of service free pushing and pulling.
 Wheel hubs and bearings... ???

PUMP

Annovi Reverberi piston actuated diaphragm pumps, standard
 AR202 290psi : 5.3gpm
 AR30 580psi : 9.3gpm
 Centrifugal pump available*
 Other diaphragm, roller, shurflo® pumps available for your application

PLUMBING

Easy clean 1" suction line strainer with shut-off valve
 Bypass valve allows low pressure return to tank on engine start-up and aids mixing of tank material.

POWER

5.5HP Honda® gas engine with recoil start, standard; electric start, optional
 Honda, Kohler, Briggs Vanguard engines available
 Electric motor available

HOSE REELS

Rears and Hannay®, manual or electric wind
 Hose guides and rollers also available
